Doyle and Tonya work as a team during wedding festivities. Their goal is to capture those special wedding moments for memories that last a lifetime. Services include up to eight hours of shooting time on the day of the wedding for pre-wedding activities, the wedding, and the reception — including formal posed shots, candids and spontaneous photos as they occur. All photos will be color corrected, retouched, and posted in an online gallery for friends and family to view or purchase. You will receive a personalized USB Drive containing all high resolution images and a photographer's release for printing at a lab of your choice. For an additional fee, we can provide you with a beautifully customized Wedding Book with flush mount and/or a Wedding Video created from your Wedding photos to music of your choice.

Wedding Packages start at \$2000

A \$500 non-refundable deposit is required at the time the wedding is booked. Balance is due before the wedding date, unless previous arrangements have been made.

Please note that this is an introductory rate and is subject to change. Cash, check, or debit/credit card through Paypal is accepted. If Paypal is used, an additional 3% fee will be added to the final price of Wedding Package. For weddings 100 miles beyond the 30655 zip code, travel expenses and one night's lodging will also be added to the final price.

*May God bless you during this exciting time and throughout your marriage.  
Dear Friends, let us continue & love one another, for love comes from God...God showed us how  
much He loved us by sending His only Son into the world so that we might have eternal life  
through Him. This is real love. 1 John 4:7-10*
